

What's Happening in **MARCH**

What We're Learning

We are working hard in our reading and math small groups. We are beginning to put letter sounds together to make words and we are starting to learn new digraphs. In math we are working on writing numbers and working out small word problems and equations.

Leading up to Spring Break, we will spend a lot of time focusing on what Easter means, learning from our Bible, and reflecting on how much God loves each and every one of us.

We are excited to welcome local author Casey Rislov to our school on March 2nd. She will be reading one of her books and talking to us about what it's like to be an author.

Other News

VIP – Our next round of VIP will begin the week before Spring Break. We will draw a new VIP in class each day, and they will get to pick a challenge from our Kindness Chart!

March 9 – Fundraiser at Pizza Ranch! Dine in or order pizza anytime from 5:00-9:00 pm and let them know you are there for Shepherd of the Hills CDC. Our school will receive a portion of each ticket and all tips! It's a great reason to skip the kitchen on a Monday night.
